

BONALDO

Venere

The suppleness of the body was inspired by the design of the Venere chair: the result is a sinuous shape that encompasses style and comfort and recalls the classics of design. The simplicity of the four lines on which it is based expresses a totally feminine elegance, as is evident starting from the name. Suited to the home or the office, Venere is completely

upholstered in leather, eco-leather or fabric. The aesthetic is clean, light, agile and elegant, with a clear contemporary edge but still suitable for every furnishing context thanks to the versatility that comes from the sartorial care and excellence of the materials.
